

# Auto Technical Test Centres

This roadworthy test has at least 50 extra inspection criteria when compared to the standard roadworthy test.

## ROADWORTHY PLUS-50 ✓

CERTIFICATE NUMBER

# S1120

ID & DOCUMENTATION	BRAKES	SUSPENSION
SAPS Clearance	Handbrake lever	Cleanliness
Documentation	Service brake pedal	Chassis and cab mountings
Number Plates	Service brake operation	Jig Marks
<b>ELECTRICAL &amp; DASH</b>	Braking system – general	Floor Pan
Windscreen Wipers	Braking performance	Front suspension
Wiper Operation	Front _____	Rear suspension
Wiper Blades	Rear _____	Shock absorbers
Windscreen washer jets	Hand _____	Wheel bearings
Hooter	Trailer parking brake	Control arms
Wiring	Brake pipe leaks	Stabilizers and Anti-roll bars
Lighter	<b>TYRES</b>	Wheel alignment
Fog Lamps	Rims and Hubs	Noise levels
Front Lamps	Condition of tyres	<b>ENGINE COMPARTMENT</b>
Rear Lamps	Front Tyre Sizes	Smoke emission
Indicators	Make	Engine
Warning Lights	Rear Tyre Sizes	Engine / transmission mountings
Interior Light	Make	Oil leaks
Fuel Gauge	Tyre tread	Engine cover
Oil Gauge and Oil light	L/F _____ mm R/F _____ mm	Engine performance
Heat gauge	L/R _____ mm R/R _____ mm	Engine vibration
Charge indicator	Tyre vibrations	Abnormal noise and noise level
Speedometer	Spare wheel	Fumes
Rev Counter	Spare wheel carrier	Air filter and cover
Air conditioner	<b>FUEL</b>	Fanbelt condition
Heater fan	Fuel tank secure	Fan belt noise level
<b>FITTINGS</b>	Leaks	Outer appearance of battery
Bumper bars	Fuel pipes	Brake fluid level
Spare wheel carrier	<b>DIMENSIONS</b>	Clutch fluid level
Trailer coupling (if appl)	Standard dimensions	Power steering fluid level
Coupling on trailer	Modifications noted	Water leaks (all pipes)
Trailer landing legs	<b>EXHAUST</b>	Radiator and Fan
Body	Exhaust system condition	Cruise control
Mudguards	Mountings	<b>ROAD TEST</b>
Load Body	Exhaust leaks	Gears and Clutch
Motor cycle fittings	Modifications noted	Road holding
Safety Belts	<b>TRANSMISSION AND DRIVE</b>	CV's
Doors	Drive Train	<b>VEHICLE EXTERIOR &amp; UNDERBODY</b>
Door mechanisms	Drive line noise level / vibration	Visible Evidence of accident repairs
Door locks and strikers	Diff lock	Minor _____ Major _____
Floor and steps	<b>EXTRAS</b>	Dents and scratches
Seats	Jack	Visible rust
Seat trim damage	Wheelbrace	Parking dents, scratches and chip marks
Seat Recliners	Tools and toolkit	Bonnet and Boot Stays
Seat Adjustors	Servicebook & owner's manual	Bonnet Insulator
Roof Lining	Car and boot mats	
Car Aerial	<b>STEERING</b>	
Sun Visors	Steering wheel	
Glove compartment and catch	Steering column	
Mirrors	Handle bars and steering	
Windows windscreen / safety marks	Steering mechanism	
Window mechanisms	Drag Links	
Reflectors	Power Steering	
Emergency Triangle	Is steering wheel centralized	

ALL AVTS TESTS, ROADWORTHY PLUS & TECHNICAL INSPECTIONS ARE SABS ISO 9001:2000 CERTIFIED
